INTRODUCTION

This publication provides a numerical list of all Service Bulletins, Service Instructions, Service Letters and Technical Instructions applicable to F/SF260 civil aircraft.

It consists of five sections divided as follows:

- SECTION 1** contains index of Service Bulletins
- SECTION 2** contains index of Service Instructions
- SECTION 3** contains index of Service Letters
- SECTION 4** contains index of Technical Instructions
- SECTION 5** contains index of Document Effectivity

These Indexes will be revised or reissued on a yearly basis.

Anyway, in order to maintain an up-to-date copy, it is suggested that each Index be hand marked upon receipt of a new document.

A letter in the "CODE" column indicates the aircraft type to which the document applies.

APPLICATION CODE	AIRCRAFT TYPE
A	F260
B	F260B
C	F260C
D	F260D
F	F260F
TP	SF260TP

The "ENG. CHANGE DOC." Column is for Leonardo Aircraft Division internal use.

Copy of documents can be requested to the following address:
